Last Modified on 03/14/2024 1:01 pm EDT

The Fuel Record screen in Dispatch has been updated with the following enhancements:

1. An attachments icon now displays next to the attachments column, enabling users to upload attachments to the fuel record.
2. Users have access to a view/download feature, allowing them to both view photos and download attached files.

The screenshot displays the Dispatch Fuel Record interface. At the top, there are filters for FROM (03/01/24), TO (03/14/24), DIVISION (QAWASTE, HOUSTON, DAYTON, CORPUS), and LINE OF BUSINESS (Commercial, Roll Off, Miscellaneous). Below these are various navigation and utility icons. The main area shows a list of routes with columns for ROUTE, DRIVER, PAYROLL CLOCK IN, LOG IN, PRE TRIP, FIRST SERVICE TIME, LUNCH START, LUNCH END, LAST SERVICE TIME, TRUCK / ODOMETER, FUEL, POST TRIP, LOG OUT, and PAYROLL CLOCK OUT. A modal window titled 'FUEL RECORD' is open, showing a table with the following data:

TRUCK	FUEL SOURCE	FUEL TYPE	VOLUME	UOM	COST	ATTACHMENT	NOTE	DATE	CREATED BY	CREATED ON
774	new fuel	Electric	92.00	gallon	0.00	GD1E987B-EAD4-...		03/01/2024	Olivia Paige	03/01/2024 9:53 am
774	Mobil	Diesel	88.00	gallon		BigDumpster.png...	Testing N...	03/01/2024	Paul Gonz...	03/06/2024 2:07 pm

Red circles and arrows highlight the attachment icon in the 'ATTACHMENT' column (1) and the 'View' button in the modal window (2). A photo of a green dumpster is shown on the right side of the modal window.
