

# Customer Portal - Updates to Requests Tab (16816) [New Feature]

Last Modified on 05/15/2024 11:01 am EDT

The following screen improvements have been applied to the Customer Portal:

1. **Requests Tab Changes:**

- (1) Add icon relocated to the left of the Completion filter
- (2) Completion filter options have been improved to match the filter options in the Account Request Management tool in Navusoft.

2. **Service Map Tab Changes:**

- (3) Scheduled Date and Service Code fields have been relocated to the left of the screen.
- (4) The Excel icon has been relocated to the right side of the screen and a Refresh icon has been added.

3. **Disposal Tickets Tab Changes (picture not shown):**

- Excel and Refresh icon have been resized
