

AR History (Accounts) - Authorization Logic Updated to Generate Single Invoices (16829) [New Feature]

Last Modified on 05/20/2024 12:52 pm EDT

The following changes have been applied to the Create Invoice screen and the permission it includes:

- The 'Create Invoice' screen has been renamed to 'Preview Invoice.'
- The permission logic for the 'Generate Invoice' button has been updated. If a user does not have permission 262, 'Generate Single Invoice,' the button will be inactive, and the following message will be displayed: "User not authorized to generate a single invoice."
- Permission 262 has been renamed from 'Add Single Invoice' to 'Generate Single Invoice.'

The screenshot shows the 'PREVIEW INVOICE' interface. At the top left, the title 'PREVIEW INVOICE' is displayed with a red arrow pointing to it. Below the title, there are input fields for 'This Site', 'BILL TO DATE', and 'INVOICE DATE'. To the right, there is a summary section with the following text: 'Arrears - Monthly', 'Billed Thru Date Oct 31, 2022', and 'Next Invoice Date Jan 31, 2024 BATCH-25689 (in progress) - Not included on batch'. Below this is a table with the following columns: SITE ID, START DATE, END DATE, GROSS QTY, NO CHARGE QTY, NAME, PO #, AMOUNT, SURCHARGES, TAXES, and TOTAL. The table is currently empty. At the bottom right, there is a 'Total' row with values: \$ 0.00, \$ 0.00, \$ 0.00, and \$ 0.00. Below the table, there is a 'GENERATE INVOICE' button with a red arrow pointing to it. To the right of the button, there is a red error message: 'User not authorized to generate a single invoice.'
