

Aging AR Management (Accounting) - 'All' Option Added To Division Filter (16846)

Last Modified on 05/29/2024 9:33 am EDT

An enhancement has been made to include an 'All' filter option to the Division filter on the AR Aging Management screen.

The screenshot displays the 'AR AGING MANAGEMENT' interface. At the top, the breadcrumb 'ACCOUNTING > AR AGING MANAGEMENT' is visible. The main area contains several filter fields: 'DIVISION' (set to 'All'), 'TYPE' (set to 'AR Aging By Past Due Date'), 'ACCOUNT CLASS' (set to 'AUTOCH, BROKER, COMMERCIAL, FINANCI'), 'TERM' (set to 'All'), and 'BILL GROUP' (set to 'All'). A 'LOAD' button is located to the right of these filters. Below the filters, there are fields for 'STATUS' (set to 'Bad Debt, C'), 'AUDITOR', and 'MIN. PAST DUE BALANCE'. A 'Select Quick Filter' dropdown and a search box are also present. The main data table has columns for 'AVG DAYS TO PAY', 'LAST PAYMENT', 'LAST COLLECTI... ACTIVITY', 'CURRENT', '1-30', '31-60', '61-90', '91-120', 'OVER 120', 'TOTAL ACCOUNT MANAGER', 'AUDITOR', and 'BILL GROUP'. The table shows a 'CORD COUNT: 0' and 'TOTALS' with values of 0.00 for all columns. A dropdown menu for the 'DIVISION' filter is open, showing options: 'All', 'Texas', '-- DAYTON', '-- HOUSTON', '-- QAWASTE', 'CORPUS', 'HEARNE', and 'HILLSBORO'.
