

Contacts (Accounts) - Warning For Blocked Email Addresses (16666) [New Feature]

Last Modified on 06/03/2024 4:30 pm EDT

An enhancement has been made for accounts set to 'Email With Link' or 'Email with Attachment.' If a billing contact's email is on the email blocklist, a red exclamation point icon will appear on both the account screen and the contacts screen. When users hover over the icon, a tooltip will display the warning.

The image shows two overlapping screenshots from a software interface. The top screenshot displays account details for 'DOCTORS SQUARE' (ID: 32458001). It includes address information, contact details, and a warning tooltip. The tooltip text is: "Email address **loris@navusoft.com** for contact **DOCTORS SQUARE** is in the email blocklist. Please review and correct to avoid invoice delivery delays." The bottom screenshot shows a 'CONTACTS' table with columns: TYPE, BILLING CONTACT, NAME, TITLE, EMAIL, PHONE, SERVICE NOTIFICATION, REQUEST NOTIFICATION, and PORTAL USER. The first row, representing the 'Billing Contact 1' for 'DOCTORS SQUARE', has a red exclamation point icon in the EMAIL column next to the address 'loris@navusoft.com'.
