

Navu Projects (Home Screen) - Completed and Hold Task Status Options Added (16864)

Last Modified on 05/30/2024 10:37 am EDT

An enhancement has been made to Navu Projects to add 'Completed' and 'Hold' filter options to the Task Status filter.

The screenshot displays the 'NAVU PROJECTS' interface. At the top, there are tabs for 'Projects and Tasks' and 'Recent Activity'. Below these are buttons for 'EXPAND ALL' and 'COLLAPSE ALL'. The main area features a table with columns for 'PROJECT ID', 'PROJECT NAME', 'TYPE', 'PROJ... MAN...', 'STATUS', 'START DATE', 'CO...', 'ATTACHMENT COUNT', 'PERCENT COMPLETION', and a sub-table for 'TASKS' with columns 'OPEN', 'IN PROGRESS', and 'COMPLETED'. A dropdown menu is open over the 'TASK STATUS' filter, showing options: 'All', 'Not Started', 'In Progress', 'Completed', 'Voided', 'Hold', 'Waiting For Customer', and 'In Development'. The 'Hold' option is highlighted.

PROJECT ID	PROJECT NAME	TYPE	PROJ... MAN...	STATUS	START DATE	CO...	ATTACHMENT COUNT	PERCENT COMPLETION	TASKS		
									OPEN	IN PROGRESS	COMPLETED
1030	Implemen... Template	New Customer Implemen...	Hol... Pate	In Progress	06/01/2023	06	0	0%	10	0	0
1131	Test Project	Internal Project	Nik... Rai...	Not Started	09/01/2023	05	1		0	0	0
