NavuNav (Android) - Logic Updated to Handling of 'Do Not Service' Status (16600)

Last Modified on 06/24/2024 2:56 pm EDT

In NavuNav (Android), 'Do Not Service' servicing logic was updated to allow drivers to service the stop, take photos, and add tasks.

- Residential Mode: the screen was updated to display a popup window with 'Do Not Service' and the reason code in red bold text.
- Regular Mode: the screen was updated to allow opening and interacting with the service location.
