

System Options Setup (Setup) - New Setting Added to Account Tab (16911) [New Feature]

Last Modified on 03/03/2026 1:06 pm PST

A new setting option 'Account and Site Division Must Match' was added in System Options Setup and when enabled, will require newly created accounts and sites to have the same division.

The screenshot displays the 'SYSTEM OPTIONS SETUP' interface with the 'Account' tab selected. The interface is organized into two columns of settings. The 'ACCOUNT AND SITE DIVISION MUST MATCH' setting is highlighted with a red border. The settings are as follows:
