

# Accounts - Keyboard Functionality Improved Across Multiple Screens (16884, 16885, 16624)

Last Modified on 07/09/2024 9:19 am EDT

To improve keyboard compatibility, minor changes are being made to various screens. These changes include adjustments to fields with drop-down time entry selections and numeric fields that previously used +/- arrows.

The screenshot displays the 'ADD ACTIVE SERVICE' interface. At the top, there are fields for REASON CODE (ADD-New Business), START DATE (07/02/24 Tuesday), and other service parameters. Below this, there are sections for SERVICE DAYS, REQUESTED BY, SERVICE NOTES, and FL Delivery. A map of the area around Driscoll Children's Hospital is shown on the right. At the bottom, a table lists 'SERVICE CHARGES' with columns for RATE, UOM, NO CHARGE QTY, EST QTY, MINIMUM TYPE, MINIMUM, MAX WEIGHT, OVER MAX WEIGHT RATE, and WORK TYPES. The 'RATE' field for 'Front Load 04YD Extra Pickup' is highlighted with a red box and contains the value '0.0000'. A 'SAVE' button is located at the bottom center.

SERVICE CHARGES	RATE	UOM	NO CHARGE QTY	EST QTY	MINIMUM TYPE	MINIMUM	MAX WEIGHT	OVER MAX WEIGHT RATE	WORK TYPES
Front Load 04YD Extra Pickup	0.0000	each	0						1

In the image example above, the +/- arrows were removed from the Rate field displayed on the Add Active Service screen.
