

Reason Code (Setup) - Logic Updated to Display of Line of Business Field (17146)

Last Modified on 08/27/2024 3:11 pm EDT

Logic has been updated for the Line of Business field in the Add Reason Code screen. When 'Downtime' is selected as the Type, the Line of Business field will no longer be required.

The screenshot shows the 'ADD REASON CODE' form with the following fields and values:

Field	Value
TYPE	Downtime
ID	
NAME	
EXTERNAL ID	
DISPLAY IN MOBILE	No
LINE OF BUSINESS	
ACTIVE	Yes

A 'SAVE' button is located at the bottom of the form.

Pathway: Setup > System > Reason Code
