

# Add Active Service (Accounts) - Default Service Days Based on Nearby Sites (17449) [New Feature]

Last Modified on 11/11/2024 12:35 pm PST

In Add Active Service, the Service Days selection boxes will default to days based on nearby sites within a 5-mile radius. This logic considers service frequency and line of business, with default selections applied for frequencies of 1x and 2x only.
