

Truck Setup (Setup/Operations) - Loadrite Scale Option Added (18018)

Last Modified on 04/21/2025 8:02 am PDT

A new onboard scale type, **Loadrite**, has been added to the **Scale – System** drop down menu within Truck Setup.

The screenshot displays the 'EDIT TRUCK' modal window. The 'Onboard' tab is highlighted with a red box. The 'Scale - SYSTEM' dropdown menu is open, showing the following options: None, Bluetooth Air-Weigh, Loadman, and Loadrite. The 'Loadrite' option is highlighted with a green background. The 'Camera System' section shows 'SYSTEM' set to 'None' and 'CAMERA COUNT' set to '0'. A 'MARK INACTIVE' button is visible at the bottom left of the modal.
