

# System Options (Setup) - New Option 'Disable Auto Pay Day of Month' Added (18429, 18430)

Last Modified on 05/28/2025 1:50 pm PDT

A new setting, 'Disable Auto Pay Day of Month', has been added to the Account tab in System Options Setup. When enabled (set to 'Yes'), the 'Scheduled Day' option and 'Day of Month' field are hidden in the Account Wallet in Navusoft and Customer Portal.

The screenshot displays the 'SYSTEM OPTIONS SETUP' interface. The 'Account' tab is selected and highlighted with a red box. In the 'Account' tab settings, the 'DISABLE AUTO PAY DAY OF MONTH' option is highlighted in yellow and set to 'No'. Below this, the 'ACCOUNT WALLET' modal is open, showing a table of account wallets. The 'ADD ACCOUNT WALLET' button is highlighted with a red box. The 'AUTOMATED PAYMENT' field is also highlighted with a red box, and a red arrow points to the 'At Billing' option in the dropdown menu.
