

Route Management (Operations) - Import/Export File Format Renamed (18595)

Last Modified on 05/30/2025 7:56 am PDT

In the Route Management (Current) tab, the "Navusoft File Format" option for both Export and Import has been renamed to "Navusoft/Zignex File Format."

Pathway: *Operations > Route Management > Current [tab]*
Article: [Export and Import - Route Management](#)
