

NavuNav (Android) - New Sequence Order Added to Sort/Filter Screen (18316) [New Feature]

Last Modified on 07/23/2025 11:53 am PDT

A new Sequence Order toggle has been added to the Filters screen, allowing drivers to choose how stops are sequenced. Selecting **"Working Sequence"** updates the next stop to be labeled as '1' each time a stop is completed. Alternatively, selecting **"Dispatch Sequence"** displays the same sequence numbers shown in Dispatch.

By default, **Working Sequence** is set.
