

Route Management (Operations) - Renumber Screen Revamped to Offer Improved Usability and Features (19378, 18526)

Last Modified on 10/24/2025 9:21 am PDT

The **Renumber** screen in Route Management has been renamed to “**Renumber / Sequencing Stops**” and has undergone a complete redesign. For more details, refer to the full documentation available here: [Renumber / Sequencing Stops](#).

Pending	Current	Renumber / Sequencing Stops
