

Rate Update Batch (Sales) - Issue with Rate Update Batch Loading When Multiple IDs Are Entered (19594)

Last Modified on 11/06/2025 3:21 pm PST

An issue has been resolved where the **Rate Update Batch** did not load when multiple comma-separated Account IDs or Site IDs were entered. The batch now loads correctly when using multiple IDs.

ADD SITE SERVICE RATE UPDATE BATCH

ADD FILTER

EFFECTIVE DATE11/21/2025LOAD
