

Inbound / Outbound (Operations) - COD Ticket Completion Rules Updated for F2 Save (19968)

Last Modified on 01/20/2026 7:28 am PST

The logic for completing Cash on Delivery (COD) scale tickets using the **F2** hotkey has been updated to enforce COD payment requirements. COD tickets with charges can still be saved using **F2**, but they will no longer complete until payment is received.
