

Division (Setup / System) - Additional EDI account field added (20504)

Last Modified on 02/24/2026 12:28 pm PST

To support a second EDI account, a new **Republic EDI Company ID** field has been added to the **Integrations** tab in **Division Setup**.

The screenshot shows the 'ADD DIVISION' modal window with the 'Integrations' tab selected. The modal contains several configuration fields. The 'REPUBLIC EDI COMPANY ID' field is highlighted with a red border. The 'WM EDI COMPANY ID' field is also visible above it.
