

Rate Update Batch (Sales) - Service Changes Posting Despite “Included” Checkbox Being Unchecked (20629)

Last Modified on 03/11/2026 11:25 am PDT

An issue has been resolved where rate history updates were applied to sites that were not selected in a **Rate Update Batch**. In some cases, unselected sites received new start and end dates in rate history even though no rate change was made.

RATE UPDATE BATCH
