

# AR Aging Management (Accounting) - New Filter Option Added (20690)

Last Modified on 03/13/2026 12:48 pm PDT

A “Max balance over 120” filter has been added as an option in the Quick Filter dropdown on the AR Aging Management screen.

The screenshot displays the AR Aging Management interface. At the top, there are several filter fields: DIVISION (QAWASTE), TYPE (AR Aging By Past Due Date), ACCOUNT CLASS (COMMERCIAL), TERM (All), and BILL GROUP (Anniversary 4WK Advance, Anniversar). Below these are fields for ACCOUNT STATUS, ACCOUNT MANAGER, AUDITOR, BROKER GROUP, COLLECTION GROUP / AGENCY, COLLECTION TYPE, and MIN. PAST DUE BALANCE. A 'LOAD' button is visible on the right.

The main area shows a table of account information. The table has columns for ACC..., ACCOUNT NAME, STATUS, AVG DAYS TO PAY, LAST PAYMENT, LAST COLLECT..., CURRENT, and 1-30. A summary row shows RECORD COUNT: 183 and TOTALS: 21,541.61, 5,159.24, 6. The table lists various accounts such as 'Example Accou...', 'Dairy Queen', 'Jack in the Box', 'Bao Dim Sum H...', 'Construction &...', 'El Portal Restau...', 'Yuk Dae Jang S...', 'TONCHIN LA', 'David's Cafe', 'La Boheme', 'Polly's Pies Rest...', 'The Comedy St...', 'Popping York C...', and 'Submarine Crab...'. Each row includes details like status (Active, Credit Hold, Bad Debt), dates, and monetary values.

A 'Select Quick Filter' dropdown menu is open, listing several filter options: '60days and has services tomorrow', 'Credit hold accounts', 'has open collection task', 'Max balance 1 to 30', 'Max balance 31 to 60', 'Max balance 61 to 90', 'Max balance 91 to 120', 'Max balance over 120', 'Not paid in 120 days', 'Not paid in 60 days', and 'Over 60 Avg days to pay'. The 'Max balance over 120' option is highlighted in yellow. A red box surrounds the dropdown menu, and a yellow callout bubble points to the new filter with the text 'New filter added.'
