A new setting, **Include Work Order Images / Attachments** has been added to the **Add/Update Bill Group Notifications** screen for the notification option: **Notification Template (Invoice as Attachment)**. When set to Yes, if a work order includes any images or attachments, they will be included. The attachment file size is limited to 25mb.

The screenshot displays the 'UPDATE BILL GROUP' interface. At the top right, there is a summary table:

Tax	\$ 70.47
Site Total	\$ 924.76
INVOICE TOTAL	\$ 924.76

Below this is a table of due amounts:

Current	1-30 Days	31-60 Days	61-90 Days	Over 90 Days	Total Due
7,701.53	844.41	844.41	6,755.28	20,336.90	36,482.53

A note below the table states: "Total balance due includes current charges, however it may not reflect recent payments in transit."

The main interface is the 'UPDATE BILL GROUP' window, with the 'Notifications' tab selected. The 'INCLUDE WORK ORDER IMAGES / ATTACHMENTS' setting is highlighted with a red box and set to 'No'. Other settings include various notification templates and reminder intervals.

On the left side of the main interface, there are four numbered sections (2, 3, 4) with small images. Red arrows point from the 'UPDATE BILL GROUP' window to these sections, indicating that the 'Include Work Order Images / Attachments' setting affects the content shown in these sections.
