

Dispatch (Operations) - INcrease Limit When Posting Large Routes (21273)

Last Modified on 06/22/2026 1:09 pm PDT

The ability to post large routes no longer returns an error. For example, 3000 service records can be posted all at once successfully.

The screenshot displays the 'DISPATCH' application interface. At the top, there are filters for 'FROM' (04/03/26), 'TO' (04/03/26), 'DIVISION' (HOUSTON), and 'YARD' (No Yard Assigned). The 'ROUTE PRIMARY LINE OF BUSINESS' is set to 'Commercial, Document Destruction, Inbound and Outbound, Medical Waste'. A 'LOAD' button is visible on the right.

The main area is a 'SERVICES LIST' table with columns: ROUTE, SEQ, ORDER NOTE, SITE, SCHEDULED DATE, CREATED ON, WO#, WO TYPE, SERVICE TYPE, QTY, EQUIPMENT, and PHOTOS. A context menu is open over the table, showing options: '101 rows selected', 'Display on Map', 'Send Service Notification', 'Change Route', 'Change Scheduled Date', 'Change Status', and 'Change Posting Status'. The 'Change Posting Status' option is expanded, showing 'Ready to Post' and 'Post'.

ROUTE	SEQ	ORDER NOTE	SITE	SCHEDULED DATE	CREATED ON	WO#	WO TYPE	SERVICE TYPE	QTY	EQUIPMENT	PHOTOS
