

Work Order (Operations) - Updating Work Order Status to 'Completed' Incorrectly Changed Scheduled Date (22730)

Last Modified on 09/30/2026 7:29 am PDT

After the Version 84 release, an issue was identified where updating a work order status to **Completed** caused the **Scheduled Date** to change to the current date. This has been corrected, and a hot fix has been deployed.

EDIT SCHEDULED SERVICE - WORK ORDER: 12278166
